Item 4: Other Business Activities

Mr. Mullins is a registered representative with Oakwood Capital Securities, Inc. (“OCS”), an SEC registered broker-dealer, member of FINRA and affiliate of Oakwood Capital, Inc. In such capacity, Mr. Mullins sells securities through OCS and receives commissions. The potential for receipt of commissions and other compensation when Mr. Mullins directs securities transactions for client accounts through OCS may give Mr. Mullins an incentive to recommend investment products based on the compensation received, rather than on the client's needs. However, Mr. Mullins will only recommend securities transactions that he believes are suitable for the client’s account and in the best interests of the client. Clients are not required to transact brokerage business with Mr. Mullins. Clients should be aware that similar services are available elsewhere through entities not affiliated with Mr. Mullins or Oakwood Capital, Inc.

Mr. Mullins is also a licensed insurance agent through Oakwood Capital Insurance Solutions, LLC and may recommend and engage in the sale of insurance products offered by various insurance carriers for which he will receive additional compensation. Please be advised that there is a conflict of interest in that there is an economic incentive for Mr. Mullins to recommend insurance products offered through such insurance carriers. Any commissions received through the sales of insurance policies do not offset advisory fees the client may pay for advisory services provided by Oakwood Capital. Mr. Mullins strives to put his clients’ interests first and foremost, and clients are not obligated to purchase insurance products through him and may seek similar services elsewhere.

Item 5: Additional Compensation

Mr. Mullins does not receive any economic benefit from any person, company, or organization, in exchange for providing clients advisory services through the Firm. However, Mr. Mullins receives commissions from sales of insurance products generated as an insurance agent and commissions for brokerage transactions effected through Oakwood Capital Securities, Inc.

Item 6: Supervision

Mr. Mullins serves as an investment adviser representative of Oakwood Capital and is supervised by Douglas S. King, the Chief Compliance Officer of Oakwood Capital. Oakwood Capital has implemented a policies and procedures manual and Code of Ethics which guides the Firm and its supervised persons in meeting their fiduciary obligations to Oakwood Capital’ clients when providing investment advisory services. As Oakwood Capital’ Chief Compliance Officer, Mr. King is responsible for the implementation of the Firm’s policies and procedures and Code of Ethics.
